

Claims

1. Baby and toddler sunglasses comprising:
frames having lenses;
said frames secured around the user's head by a band;
said band secured to said frames by a securing piece;
said sunglasses having a sound chip.
2. The sunglasses of claim 1 wherein said securing piece comprises Velcro.
3. The sunglasses of claim 1 wherein said sound chip is attached to said frames.
4. The sunglasses of claim 3 wherein said sound chip can be removed and replaced with other sound chips.
5. The sunglasses of claim 3 wherein said sound chip can play different children's melodies.
6. The sunglasses of claim 1 wherein said sound chip is replaced with a radio.
7. The sunglasses of claim 1 wherein said sunglasses further comprise an ear piece.
8. The sunglasses of claim 1 wherein said sound chip is placed within said band.
9. The sunglasses of claim 8 wherein said band is removed from said frames and replaced with other bands, which have other sound chips, which play other children's melodies.
10. The sunglasses of claim 1 further comprising stickers and other paraphernalia which is attached to a back of said band.
11. Baby and toddler sunglasses comprising:
frames having lenses;
said frames secured around a user's head by a band;

said band secured to said frames by a securing piece;
said sunglasses having an ear covering attached to said band.

12. Baby and toddler sunglasses comprising:
frames having lenses;
said frames secured around a user's head by a band;
said band secured to said frames by a securing piece;
said sunglasses having a headpiece secured to said band.

13. Baby and toddler sunglasses comprising:
frames having lenses;
said frames secured around a user's head by a band;
said band secured to said frames by two securing pieces.

14. The sunglasses of claim 13 wherein Velcro is used for both securing pieces.

15. The sunglasses of claim 13 wherein said band can be totally removed from said frames and replaced with other similar bands.

16. The sunglasses of claim 13 further comprising:
a sound chip inside said band.

17. Baby and toddler sunglasses comprising:
frames having lenses;
said frames secured around a user's head by a band;
said band secured to said frames by a securing piece;
said frames containing lights.

18. The sunglasses of claim 17 wherein said lights can be turned on and off.

19. Baby and toddler sunglasses comprising:
frames having lenses;
said frames secured around a user's head by a band;
said band secured to said frames;
said band comprising a mesh piece, which is placed on back of said users head.

20. Baby and toddler sunglasses comprising:
frames having lenses;
said frames secured around a user's head by a band;
said band secured to said frames by a securing piece;
at least one end of said band having a loop which fits over a pin which is attached to said frame;
said loop and said pin comprising said securing piece.

21. Baby and toddler sunglasses comprising:
frames having lenses;
said frames secured around a user's head by a band;
said band secured to said frames by a securing piece;
said frames and/or said band being able to glow in the dark.

22. Baby and toddler sunglasses comprising:
frames having lenses;
said frames secured around a user's head by a band;
said band secured to said frames by a securing piece;
said lenses being removable from said frames and interchanged with other lenses.
